

We Are the Normal

Goo Goo Dolls

It's a beautiful day
I heard everybody say
The sun shines down for all of us
Just the same
You know I like the rain
That ain't so obvious It's a beautiful sight
I guess everybody's right
This day belongs to all of us
Even still
I like my winter chilled
That ain't so obvious We are the normal
We live and we die
With no reason why
We are the normal
We live and we die
With no reason why It's a beautiful life
And I got it in my sights
And that ain't for all of us
It's a beautiful sound
When my life comes crashin' down
That ain't so obvious It's a beautiful sin
And I'm doin' it again
And that ain't for all of us
It's a beautiful life
And I got it in my sights
Ain't that so obvious We are the normal
We live and we die
With no reason why
We are the normal
We live and we die
With no reason why We are the normal
We live and we die
With no reason why
We are the normal
We live and we die
With no reason why
There's no reason why We are the normal
We live and we die
With no reason why

We are the normal
We live and we die
No reason why
