

# Listening to Outkast, June 23, 2014

## JR JR

When the sun rises  
It's comforting to see we've made it one more day  
At night time  
Maybe I drink too much I'm  
Scared of what awaits  
The following day I guess you never know  
How far you would go  
Coming home from some bar  
Blasting the speakers in your car  
Put on some outkast  
You ask "are we gonna last?"  
Forever ever ever  
Forever ever ever  
Forever ever ever  
But I don't know  
What we're headed towards now  
It's like I blinked my eyes  
And 2 more years went by  
The pressure's still applied  
The same exact way I guess you never know  
How far you would go  
Coming home from some bar  
Blasting the speakers in your car  
Put on some outkast  
You ask "are we gonna last?"  
Ooh ooh are we gonna last?  
Forever ever ever  
Forever ever ever  
Forever ever ever  
But I don't know  
What we're headed towards now  
Forever ever ever  
Forever ever ever  
Forever ever ever  
But i don't know  
What we're headed towards now
