Just Friends

Chet Baker

Just friends, lovers no more
Just friends, but not like before
To think of what we've been and not to kiss again
Seems like pretending it isn't the ending
Two friends drifting apart
Two friends, but one broken heart
We loved, we laughed, we cried, suddenly love died
The story ended, but we're just friendsTwo friends drifting apart
Two friends but one broken heart
We loved, we laughed, we cried, suddenly love died
The story ended, but we're just friends
