Still of the Night

Whitesnake

In the still of the night
I hear the wolf howl, honey
Sniffing around your door
In the still of the night
I feel my heart beating heavy

Telling me I gotta have moreIn the shadow of night

I see the full moon rise

Telling me what's in store

My heart start aching

My body start a shaking

And I can't take no more, no, noNow I just want to get close to you

An' taste your love so sweet

And I just want to make love to you

Feel your body heatIn the still of the night

In the still of the night

Over here babyIn the heat of the day

I hang my head down low

And hide my face from the sun

Through the light of the day

Until the evening time

I'm waiting for the night to come

Ooh, babyIn the still of the night

In the cool moonlight

I feel my heart is aching

In the still of the nightOoh, baby, Ooh, baby

Can't keep away

Need you closer

Can't keep away, can't keep away, can't keep away

Oh, can't keep away, noYou gotta give me love

You gotta give me some lovin' everyday

Can't keep away, noOoh, baby, ooh Lord, ahh

Get over here, babyIn the still of the night

I hear the wolf howl, honey

Sniffing around your door

In the still of the night

I feel my heart beating heavy

Telling me I gotta have moreOoh, mamaNow I just wanna get close to you

An' taste your love so sweet

And I just wanna make love to you

Feel your body heatIn the still of the night, ooh yeah
In the still of the night, I will be sneakin' 'round your door
In the still of the night

In the still of the nightStill of the night, still of the night, still of the night

Still of the night, still of the night, still of the night

Still of the night, still of the night, still of the night

Still of the night, still of the night, still of the night

Still of the night, still of the night, still of the night
