# Near Twilight (Remastered)

## Calabrese

Oh, my baby believes that demons are real
But only I know the way
Why you walk in fear and hide
Failed to open up your eyes to see
Trust in me
In meOh the twilight it's killing me
Oh my body, it burns and bleedsThe things that we do they seem rather
Strange to you
Cause we believe in worlds you cannot see
When the devil calls you will hear your name
And know that you are just like one of us
You can't deny your desires
