

# Take Me There

## Rascal Flatts

There's a place in your heart, nobody's been  
    Take me there  
Things nobody knows, not even your friends  
    Take me there  
    Tell me 'bout your momma  
Your daddy, your hometown, show me around  
    I wanna see it all, don't leave anything out  
    I wanna know everything about you then  
And I wanna go down every road you've been  
Where your hopes and dreams and wishes live  
    Where you keep the rest of your life hid  
I wanna know the girl behind that pretty stare  
    Take me there  
    Your first real kiss, your first true love  
You were scared, show me where you learned about life  
    Spent your summer nights without a care  
    Take me there  
I wanna roll down Main Street, the back roads  
    Like you did when you were a kid  
    What made you who you are?  
    Tell me what your story is

    I wanna know everything about you then  
    And I wanna go down every road you've been  
    Where your hopes and dreams and wishes live  
    Where you keep the rest of your life hid  
I wanna know the girl behind that pretty stare  
    Take me there, yeah  
    I wanna know everything about you  
    Yeah, everything about you, baby  
    I wanna go down every road you've been  
    Where your hopes and dreams and wishes live  
    Where you keep the rest of your life hid  
I wanna know the girl behind that pretty stare  
    Take me, take me, take me there, oh  
        (Take me, baby, take me)  
    I wanna roll down Main Street  
I wanna know your hopes and your dreams  
    (Take me there)

Take me, take me there, yeah  
(Take me, baby, take me)  
(Take me there)  
(Take me, baby, take me)  
(Take me there)
