CRUCIFY MY LOVE

X Japan

Crucify my love if my love is blind
Crucify my love if it sets me free
Never know, never trust
The love should see a color
Crucify my love if it should be the way
Swing the heartache feel it inside out
When the wind cries I?ll say goodbye
Tried to learn tried to find to reach out for eternity
Where?s the answer. Is this forever
Like a river flowing to the sea
You?ll be miles away and I will know
I know I candela with the pain no reason to cry
Crucify my love if my love is blind
Crucify my love if it sets me free
Never know never trust
The love should see a color
Crucify my love if it should be the way
Till the loneliness shadows the sky
I?ll be sailing down and I will know
I know I can clear clouds away
Oh is it a crime to love
Swing the heartache feel it inside out
When the wind cries I?ll say goodbye
Tried to learn tried to find to reach out for eternity
Where?s the answer. Is this forever
If my love is blind
Crucify my love if it sets me free
Never know never trust
The love should see a color
Crucify my love if it should be the way
