Parade Music

Down With Webster

Chorus:
See like I'm number one!
I'm marchin' to the drums
Throw your hands to the sun
We get it done so
(Come on) this is parade music
(Come on) good grade music
(Come on) party like you just got paid or got laid music
(Come on)
Verse 1:
I'm a dance floor activator
I'm the instigator
Bring your party hat, and bring your party favors
Here's a pointer dude
Earn a point or two
Or I'll point you out
Ride your pointer dude
Drinks always 40's
Shots you be pourin' me
Finger to the authorities
Like where's the sorority!?
I'm fresh man
Looking for a sophomore
Since I'll be so fresh man
They'll know me to I'm sophomore
You wanna party high?
Yea I'm the party guy
Dope chain hangin' wit a cup full of party tide
So cheers wit me
And raise your glass
We got it made, it's a parade at last!
Chorus:
See like I'm number one!
I'm marchin' to the drums
Throw your hands to the sun
We get it done so
(Come on) this is parade music
(Come on) good grade music
(Come on) party like you just got paid or got laid music

(Come on)
See like I'm number one!
I'm marchin' to the drums
Throw your hands to the sun
We get it done so
(Come on) this is parade music
(Come on) good grade music

(Come on) party like you just got paid or got laid music
(Come on)
Verse 2:
I'm riding on a float
Shaped like a giant pirate boat
Hot girl like a bird on my shoulder
King of the kegger, pleased to meet ya
Here's another heater that we made drinking beer
Eating pizza
This is your alarm clock
Time to get, up and at em
I'm celebratin' like I beat you in a game of madden
I got a A+
I'm out in Vegas
Put it all on a rap and I'm gettin' paid up
It's time to party yall
Got so many beads
Looks like Mr.T, turned white and showed up to Mardi Gras
Laugh it up Hardi Har
Me I'm on a balcony
Pourin' drinks for all the people down with me
Cheers!
Say haaaaay
If you're paaaaaaaiiid
Say haaaaay
If you're gettin' laaaaaaiiiid
Haaaaay
It's a paraaaaaaaade
Yeeeeeaaaaa
Chorus:
See like I'm number one!
I'm marchin' to the drums
Throw your hands to the sun
We get it done so
(Come on) this is parade music
(Come on) good grade music
(Come on) party like you just got paid or got laid music

(Come on)
See like I'm number one!
I'm marchin' to the drums
Throw your hands to the sun
We get it done so
(Come on) this is parade music
(Come on) good grade music
(Come on) party like you just got paid or got laid music
(Come on)
