Hold Me

Weezer

I am terrified of all things
Frightened of the dark
I amYou are taller than a mountain
Deeper than the sea
You areHold me
Hold me

Take me with you 'cause I'm lonelyI was closer to you back then

I was happier

I wasYou are fading further from me Why don't you come home to me?Hold me

Hold me

Take me with you 'cause I'm lonelyI am

I am

Cold

Hold meHold me

Hold me

Take me with you 'cause I'm lonelyHold me

Hold me

Take me with you 'cause I'm lonelyHold me Hold me
