

Who We Are (New World Sound Radio Edit)

Switchfoot

1 2 3 4 5

1 2 3 4 5

1 2 3 4 5

1 2 3 4 5

1 2 3 4 5 We were just kids just living in

Wide-eyed, innocence

Minivan floor like a tenement

We were just kids who believed in

More than just dreams in

More than just justified

Ends to a means With the sky wide-open

Like a child, eyes-open

Like a child, unbroken

By the wheels gone by

We know Who we are

(In the fever of our youth)

Who we are

(We've got nothing left to lose)

Who we are

(There's still time enough to choose)

Who we are

Who we are

Who we are 1 2 3 4 5

1 2 3 4 5

1 2 3 4 5 We were just kids

Just limited, misfit, itinerant

Outcasts singing 'bout the dissonance We were just kids, wide-open

Like a child, eyes-open,

Like a child, unbroken

By the wheels gone by We know Who we are

(In the fever of our youth)

Who we are

(We've got nothing left to lose)

Who we are

(There's still time enough to choose)

Who we are

Who we are

Who we are

Who we are They said it's complicated

They said we'd never make it this far
But we are They said the fight would break us
But the struggle helped to make
Who we are
Who we are
Who we are 1 2 3 4 5
1 2 3 4 5
1 2 3 4 5 Who we are
(In the fever of our youth)
Who we are
(We've got nothing left to lose)
Who we are
(There's still time enough to choose)
Who we are
Who we are Who we are
(I wanted something with meaning)
Who we are
(Yeah I wanted something to believe in)
Who we are
(Yeah, sure as I'm here breathing)
Who we are (I wanted more)
Who we are (Yeah, I wanted more)
Yeah, I wanted more than just a feeling (Who we are, who we are)
Yeah, for more than just a season (Who we are, who we are)
Yeah, we become what we believe in (Who we are, who we are) Who we are
Who we are
