

Give Me Another Chance (Alternate Mix)

Big Star

You feel sad 'cause I got mad
And I'm sorry, I'm sorry
Things I said made things seem bad
But don't worry
'Cause it's gonna be alright now
Be okay
You know I just don't think before I speak I've been looking for to find
Something to believe in my mind
And I thought it was you All this time since you've been mine
I've been angry, so angry
Made it known I could make it alone
But I'm changing
And I'm gonna be alright now
Be okay
You know I just woke up and I see the way Don't give up on me so fast
I see it's me that's wrong at last
Give me another chance It's so hard just to stay alive each day
I really can't go on this way, oh no
Oh no Hey, hey, eh, eh, ah Don't give up on me so fast
I see it's the end, it's wrong at last
Give me another chance
