Pussycats & Pussy Riot

*

We need pussycats - we need pussycats
strong and independent with
the glimpse in their eyes that tells
about courageour world needs pussycats
our world needs pussycats
we dont need bombs
we dont need warmongers
violencemongers fearmongers
we dont wanna hear
scared children screamingwe need Pussy Riot
we need Pussy Power
Pussy Bravery- Pussy Spirit
Pussy Pride Pussy Love
we need it
in our world
