

Manana

Desaparecidos

What you learned? What you read in their books?
All they offered, what you saw
When they told you to look?
A final offer Well, today we are giving birth to a new future
Yes, today we are giving birth to our own future We will learn, we will love
We will work to change each other
We will spread, we will cover the earth
Like air and water Tomorrow is blank
Well, just fill it in with our little answers
If we are stopped, well, just start again
That is the new offer, that's it, that is our final one
