Straight up funk in your ear  
If you really want it  
It's over hear  
Straight up funk in your ear  
If you really want it  
It's over hearYo, it's mad funkiness  
And we be blowin' up blough  
Tell me what you want boo  
And I'm a do it now  
It's my turn da boss  
Baby time to set it off  
Be all up in your action  
With passion of courseLevel with your mental  
Funk I get into  
All of the things  
That you need to get into  
Rock the set  
Straight up the concept  
'Cause we be goin' down  
Diggy diggy down, diggy diggy checkI know that you want something from me, yeah  
Well, I got something I know you needFrom the east to the west  
Everybody get up now  
(Get on up, get on up)  
'Cause this here's a party  
And we gotta get on down  
(Break it down, break it down)Straight up funk in your ear  
If you really want it  
It's over hear  
Straight up funk in your ear  
If you really want it  
It's over hearYes, yes you'll check me  
Get rugged and raw  
It's all I can stand  
And I can't stand no more  
I'm bugging  
Renegade hooligan damn  
5 bad boys got my back  
Hear the planNever have you ever seen  
Or never will you check

A fly human being  
Is as funky as it gets  
So step back relax  
The wax is boom diggy  
Watch the boys breakin'  
It down city to cityEverybody's got to feel the heat  
Just slide on over here 'cause it's a party, slide on overFrom the east to the west  
Everybody get up now  
(Get on up, get on up)  
'Cause this here's a party  
And you gotta get on down  
(Break it down, break it down)Straight up funk in your ear  
If you really want it  
It's over hear  
(Straight up funk)  
Straight up funk in your ear  
If you really want it  
It's over hear  
(You gotta get it up)Straight up funk in your ear  
If you really want it  
It's over hear  
Straight up funk in your ear  
If you really want it  
It's over hear  
(You gotta get it up)Straight up funk in your ear  
If you really want it  
It's over hear  
(Straight up funk)  
Straight up funk in your ear  
If you really want it  
(This is the funk I get into)
