

# The Lesbian Power Authority

## Alix Dobkin

I haven't travelled far  
And I haven't travelled wide,  
But I've been a broad for all of my life!

I'm a woman's lover  
I'm another woman's mom  
I'm a woman's daughter, naturally  
And if ever I need a friend  
Upon a woman I'll depend  
It's the Lesbian in me.

I like to stay at home  
With my friends and my family  
Sticking close to mother nature  
Feeling her seasons moving through me  
There's no place I'd rather be  
Than surrounded by Lesbian scenery  
To renew my identity  
With the Lesbian Power Authority

And I like to travel around  
To be with Lesbian women  
Because we're speaking in the same tongue  
We can comprehend each other's meaning.  
Like chromosomes we can connect  
With a way of life rated double A+  
It's our choice. Our community  
Is the Lesbian Power Authority

And I like to play my songs  
To you Lesbian women  
That's why I practice every day  
Making my music better for you.  
I know your tastes  
They are quite refined  
You want nothing but the best  
For your bodies and your minds  
Well, satisfaction is guaranteed  
By the Lesbian Power Authority

Iâ€™ve got special kinds of grooves  
Moving all through my brain.  
Theyâ€™re highly sensitive to women  
Yes, they are Lesbian trained.  
They are charting virgin consciousness  
And they keep my mind in line with all the rest of me  
Iâ€™m brought to you courtesy  
Of the Lesbian Power Authority!

And I like to go to bed  
With my lesbian lover  
Each night I wear a smile  
As I turn down the cover  
And Iâ€™m so glad to know sheâ€™s there  
In her warm embrace, I know Iâ€™m in my rightful place  
Iâ€™m at the center of the energy  
From the Lesbian Power Authority

Iâ€™m a womanâ€™s lover  
Iâ€™m another womanâ€™s mom  
Iâ€™m a womanâ€™s daughter, naturally  
And if ever I need a friend  
Upon a woman Iâ€™ll depend  
Itâ€™s the Lesbian in me, in me  
Itâ€™s the Lesbian in me, in me  
Why, it must be the Lesbian  
In me!
