The Big Sleep

The Gathering

Deprivation of my sleep
is so bad
I need to weep
myself into a comaAnd drift far far away
from realitysing me a lullaby
"Summertime"I'm dreaming
I'm dreamingTemporary failure to close my eyes
leeds to a final
loss of sanity
I need to slip
into a deep sunken sleepAnd drift far, far away
from realityI'm dreaming
I'm dreaming...
