

# From Enslavement To Obliteration

## Napalm Death

Committed to a life of slavery  
In the factories our own hands have built  
Where we must work twice the graft  
Before gaining the goods  
We've already slogged to create To consume all things material  
Stand above human compassion  
As we compete with our fellow man  
In the bid for a stronger position In our ruthless search for prosperity  
We become the tools of our own oppression  
Forming the backbone of a society that thrives  
On mass division From enslavement  
To obliteration
