I Don't Mean Maybe

The Faders

Do you like yourself?
Do you like anyone?
'Cause you stay for a while and
You take what you want
And then you're gone
And I ask myself
Will you ever change?
And I know that you try and you
Think that you might
But you stay the same

And now I wish I'd never listened to you
I must be out of my mind

I found out you've been messing around
I heard it was all around town
You said that nothing went down
But I don't know if I believe you baby
It's time to leave you baby
And I don't mean maybe
(nah, nah, nah, nah, nah, nah)
And I don't mean maybe

I've had enough
Don't want you any more
You can beg, you can plead,
You can fall to you're knees
But now I'm sure

I will be glad to see you walking away
Don't bother saying goodbye

I found out you've been messing around
I heard it was all around town
You said that nothing went down
But I don't know if I believe you baby
It's time to leave you baby
And I don't mean maybe
(nah, nah, nah, nah, nah, nah)

And I don't mean maybe

You're never gonna understand
I'm never gonna give a damn
I mean it and I won't back down
I'm sick of playing second best
And you're an uninvited guest
I mean it baby there's no doubt

It's time to leave you baby
And I don't mean maybe
(nah, nah, nah, nah, nah, nah)
No doubt, no doubt
Ant I don't mean maybe

(nah, nah, nah, nah, nah, nah)
(nah, nah, nah, nah, nah, nah)
(nah, nah, nah, nah, nah, nah)
No doubt, no doubt
(nah, nah, nah, nah, nah, nah)
No doubt. no doubt
(nah, nah, nah, nah, nah, nah)
No doubt, no doubt
And I don't mean maybe

I found out you've been messing around
I heard it was all around town
You said that nothing went down
But I don't know if I believe you baby
It's time to leave you baby
And I don't mean maybe
(nah, nah, nah, nah, nah, nah)
And I don't mean maybe
