

# Recommendation (Toddla T Remix)

## Little Dragon

Flourished and sprayed with perfume  
So sweetened, you're doomed for a well garnished life  
Flourished and sprayed with perfume  
So sweetened, you're doomed for a well garnished tomb now  
Textiles with textures caressing your skin  
Woman so primitive looking content  
Pout your lips, you're such a bird  
Don't utter a word  
Don't wrinkle your forehead  
Don't even think recommendation from a magazine  
Pout your lips, you're such a bird  
Don't utter a word  
Flourished and sprayed with perfume  
So sweetened, you're doomed for a well garnished life  
Flourished and sprayed with perfume  
So sweetened, you're doomed for a well garnished tomb now  
Flourished and sprayed with perfume  
So sweetened, you're doomed for a well garnished life  
Flourished and sprayed with perfume  
So sweetened, you're doomed for a well garnished tomb now  
Recommended  
Puddle clip claps in healthy cells  
And glittering skin such an atomic bomb  
When she steps it in  
What an ideal  
To make you proud lick her face  
And tell her wow pout her lips, she's such a bird  
Don't utter a word  
It's a recommendation  
(Recommendation)  
A recommendation  
(Recommendation)  
It's a recommendation
