I Like It

Big Bad Voodoo Daddy

From the moment that I wake up
Until deep in the night
Something burn's inside of me
That makes me wanna fight
Do you like it like this? I like it like like this!
Do you like it like that? I like it like like that!
Well I'm dancing like a madman and I'm drinking like a fool
I'm tearin' down the ceiling and I'll burn it all for you
Now I'm waitin' on the sunset
And I'm howlin' at the moon
I'm bettin' on the future and it can not come to soon!
And I say
Hey, hey, hey, hey, hey
I like it like that I like it like it like that?

Flash back, lying on my back
Starin' at the sky one day
That's when I realized, I've always been this way
Do you like it like this? I like it like this!
Do you like it like that? I like it like that!
Well I'm jumpin' in the deep end
And I'm learnin' how to swim
Breaking all the rules I can is just the way I am!
