

I'd Do It Again

Saving Abel

Advisory - the following lyrics contain explicit language:

Call him down right now, I'mma look him back
Fly away too high and way too fast
It's hard to come down without a crash
But there ain't no doubt I've had Good times, bad times, turns it up in worst
Given your long days, hard nights
Love it up and chase it
Wonderin' what hard up's comin' up but I'm still kickin'
So just dump in the wind
And I'd do it again, do it again, do it again
Well, I'd do it again I'm so hung over, here I am again
Angel long her shoulder helps forget
But the devil ridin' shotgun, takin' 'em beds
Like they're screamin' over yea hot damn Good times, bad times, turns it up in worst
Given your long days, hard nights
Love it up and chase it
Wonderin' what hard up's comin' up but I'm still kickin'
So just dump in the wind
And I'd do it again, do it again, do it again Well, winter, weed and whiskey and all the fox that I've been in
A summarize in a badass home, I'm fightin' with my friends
I'd do it again, do it again, do it again
I'd do it again, do it again, do it again Good times, bad times, turns it up in worst
Given your long days, hard nights
Love it up and chase it
Wonderin' what hard up's comin' up but I'm still kickin'
So just dump in the wind
And I'd do it again, do it again, do it again Good times, bad times, turns it up in worst
Given your long days, hard nights
Love it up and chase it
Wonderin' what hard up's comin' up but I'm still kickin'
So just dump in the wind
And I'd do it again, do it again, do it again Good times, bad times, turns it up in worst
Given your long days, hard nights

Love it up and chase it
Wonderin' what hard up's comin' up but I'm still kickin'
So just dump in the wind
And I'd do it again, do it again, do it again
Well, I'd do it again
