The Hum

Our Sunday Affairs

THE HUMWords and Music by Margo GuryanThe heat is down and the lights are low
The East is buried in an icy snow
The West is following crisis rules
They can't go swimming in their swimming poolsAnd the tapes go hmm-mm-mm-mm.....The prices rise and the Market falls
The trucks go slow and the Congress stalls
The V.P. left with the dough he took
And the P. tells the world he's not a crookAnd the tapes go hmm-mm-mm-mm.....The A.G.* said he'd do anything
To help the President become the King
The kingdom then became cold and empty
All except for San ClementeAnd the tapes go hmm-mm-mm-mm.....The rich save money and the poor save gas
We vote for an elephant and get an ass
He hires and he fires, he appoints and sacks
But he can't figure out his income taxAnd the tapes go hmm-mm-mm-mm....*Attorney GeneralÂ© 1974 (renewed) DARTMOOR MUSIC
