Keep Me From Harm

Peter Murphy

Love is all I need
Hope, is what I'm asking for
Lay me down to sleep
It was then that I lost you
Was dragged there too
Under the sea of mystery
Died there along with youLove me, hold me, keep me from harm
Love me, hold me, keep me from harmGuess, you found your own root
Dug into that fast heart
Flew, without wing or opinion
Now, you orbit the stars
Now, haunted and weary
Your vision creeps
I need a clear water
I need a releaseLove me, hold me, keep me from harm
Love me, hold me, keep me from harmLay me down to sleep
Lay me down to sleep
Lay me down to sleep
Lay me down to sleep
Lay me down to sleep
Lay me down to sleep
