

Smile (Cover of Lily Allen song)

Glee Cast

When you first left me I was wanting more
you were kissing that girl next door
what did you do that for (what did you do that for)
when you first left me, I didn't know what to say
I'd never been on my own that way
just sat by myself all day

I was so lost back then,
But with a little help from my friends
I found the light in the tunnel at the end
Now your calling me up on the phone
So you can have a little whine and a moan
and its only because you're feeling alone

At first when I see you cry
yeah it makes me smile
yeah it makes me smile
At worst I feel bad for a while but then i just smile
But then I just smile
I go ahead and smile

Whenever you see me you say that you want me back (want me back)
and i tell you that it don't mean jack (don't mean jack)
no it dont mean jack (no it don't mean jack)
I couldn't stop laughing
No i just couldn't help myself
see you messed up my mental help
I was quite unwell

I was so lost back then
but with a little help from my friends
I found the light in the tunnel at the end
Now your calling me up on the phone
So you can have a little whine and a moan,
and its only because youre felling alone

At first when I see you cry
yeah it makes me smile
yeah it makes me smile
at worst I feel bad for a while but then I just smile

but then I just smile
I go ahead and smile

La la la (x13)

At first when I see you cry (see you cry)
yeah it makes me smile (makes me smile)
yeah it makes me smile (makes me smile)
at worst I feel bad for a while but then I just smile (feel bad for a while)
But then I just smile (smile)
I go ahead and smile (go ahead and smile)

at first when I see you cry (see you cry)
yeah it makes me smile (makes me smile)
yeah it makes me smile (makes me smile)
at worst i feel bad for a while but then I just smile (feel bad for a while)
But then I just smile (smile)
I go ahead and smile (go ahead and smile)
