She Found Jesus Alive

Carroll Roberson

When Mary came to the tomb, Jesus was gone;
But she saw two angels in white;
Then she heard Jesus say,
"Woman, why weepest thou?"
"Go tell the disciples I'm alive."

She found the Morning Star shining;
She found the Rock of Ages standing,
She found the Rose of Sharon blooming,
She found Jesus alive.

Mary was the first to find Jesus alive;
The one whose seven demons were cast out;
She loved Jesus more than all of the rest;
She knew what the Cross was all about.

She found the Morning Star shining;
She found the Rock of Ages standing,
She found the Rose of Sharon blooming,
She found Jesus alive.

Some people think of Jesus Who lived long ago;
They read about what history has to tell;
But they never come to know His resurrection power;
I want you to know He's alive and well.

I found the Morning Star shining;
I found the Rock of Ages standing,
I found the Rose of Sharon blooming,
I found Jesus alive!
