

Whereabouts Unknown (with lyrics)

Rise Against

To the ends of this lost world
You have marched and you have sworn
To a tainted crown of thornsAs the hungry sails unfurl
We are trusted from the shore
And it's you that we search forThe blackest night
The midnight sun
The covered tracks and days spent on the run
The strangers we've becomeThese whereabouts unknown
Please know you can come home
It's alright
I long for the moment
Our silence is broken
It's alright
It's alright
It's alrightAnother place, another time
We toed the same side of the line
Yeah we saw eye to eyeEven then the saddest sounds,
Were nothing laughter could not drown
But we are not laughing nowI see your face
In my sights
I hesitate
And then look for a sign
Somewhere in the skyThese whereabouts unknown
Please know you can come home
It's alright
I long for the moment
Our silence is broken
It's alright
It's alright
It's alrightEven together, we stand apart
Swallow the sun, erase the sky
An invitation has been declined
Where did you go? Where did you go?These whereabouts unknown
Please know you can come home
It's alright
I long for the moment
Our silence is broken
It's alright
It's alright

It's alright
It's alright now
Oh, oh
It's alright now
'Cause all is forgiven
If you could just listen
It's alright
It's alright.
