

# Surrender

## Built On Secrets

Will you tell me  
All your secrets  
Could you really be sincere  
Whisper all your inhibitions  
The things you most fear  
Don't turn away

I want to get to know you in the worst, worst way

Come back baby come back  
Come back baby come back  
Come back baby come back

Surrender

Su-su-surrender to me

Surrender

Su-su-surrender to me

Surrender

Su-su-surrender to me

Surrender

Su-su-surrender to me

Will you show me

All your treasures

That which is most near and dear

Share with me your

Prized possessions

Not just some souvenirs

Don't be afraid

A little tiny bit can go a long long way

Come back baby come back

Come back baby come back

Come back baby come back

Surrender

Su-su-surrender to me

Surrender

Su-su-surrender to me

Surrender

Su-su-surrender to me

Surrender

Su-su-surrender to me

Babe I love you can't you see

Baby tell me how you feel about me

Do you want me, do you need me?

Baby tell me honestly

Do you want my

Love forever or temporarily?

You've got the key

So open up your heart and

Be my destiny

Come back baby come back

Come back baby come back

Come back baby come back

Surrender

Su-su-surrender to me
