

# Everything Flows

## Left Boy

Verse 1:

You used to be,  
real close to me.

You always see,

it all differently. Chorus:

You're wonderful/You're beautiful,  
that's why I fall in love with you,

Every time I see you, walking through my door

I adore everything about you,

It's nothing that you do,

It's just you

And I know everything about you,

And It feels like there's nothing I can do. I guess, everything flows,

it comes as it goes. Everything flows,

it comes as it goes.

x2.5 Verse 2/3:

Every time you call my name/Every time you hold my hand,

I want to kiss you on the lips,

And walk down your back with my fingertips, When you lay your head on my chest,

I can feel your heartbeat press against mine,

hoping that I'm what's on your mind,

Looking to find a way to make you smile/Hoping to make you smile. Chorus Verse 3
