

K.I.A (Killed In Action)

Jet

I live in the middle of a combat zone
And I'm too scared to pick up the phone
I went to the market to fill up my heart
Now I'm in a coma, state of the art

It goes (uhhuh uhhuh uhhuh uhhuh)
I ain't there (uhhuh uhhuh uhhuh uhhuh)
This ain't fair (uhhuh uhhuh uhhuh uhhuh)
I ain't scared (uhhuh uhhuh uhhuh uhhuh)

I live out of state in a mobile home
I got my hands on a cellular phone
I fell into a ditch full of VCRs
Now I'm in a movie same as the star
It goes

K-I-A in love, I'm your target
K-I-A baby let's, get this started

I wanna Kung Fu kick you in your four-wheel drive
It's a war zone baby do you want to survive
I know this ain't real it's gone too far
Let's get into a coma just like the stars

Yeah whoa oh oh oh oh oh
Yeah whoa oh oh oh oh oh
Yeah whoa oh oh oh oh oh
Yeah uhuh uhuh uhuh uhuh uhuh

K-I-A in love, I'm your target
K-I-A is my, fifties party
K-I-A in the supermarket
K-I-A baby let's, get this started

Tell them you're not a joke
Tell me you're not a joke
Tell them it's all a joke
Tell me it's all a joke
Tell me it's all a joke [x4]

K-I-A
Yeah!
I got faith, you know
I'm in love

K-I-A in love, I'm your target
K-I-A is my, I'm in love
K-I-A in the supermarket
K-I-A baby let's, get this started
