Sing to Me

Anna Calvi

Out of the dust, out of your voice
Stopping the cars as you run past
We are in love, we are in love with you
Sing to us, beautiful oneGot on your skin, colder than night
The last of the one, the one we divide
Lying so still, lying so still here
Sing to me, beautiful oneFill me up
Oh, fill me whole
Oh, tear my throat ust to hear yours
So sing out loud
Ooh...
Ooh...
Ah ah ah ah...
Ah ah ah ah...
Ah ah ah ah...
Ah ah ah ah...And still...
Sing to me, beautiful one
