

Closing Arguments (feat. Refugee Allstars)

Wyclef Jean

Advisory - the following lyrics contain explicit language:

In closing, ladies and gentlemen of the jury
I'm not gonna sit here and bore you with a long, drawn out story
Or excuse, of why I think wyclef is guilty
I'm gonna stand by the exhibits as well as the tapes
And songs such as jeapordy, til novemeber, all the girls,
And bubblegoose, which stand side by side with my allegations
I rest my caseOk, uhh, ladiessss, and gentle-men, of the juwy
As you can see nuttin has been proven here today
Deez witnesses dey brought ere don't not have evidence
To incriminate my client eh?
If he's not guilty he's innocent
If he's not detrimental to the society therefore he positive!
As I say before, dis case is pure bishopYour honor see, this, this is exactly what I'm talkin about
I mean I've been meaning to ask this the whole time
Who the hell is bishop?
Eh?
And and why the hell hasn't he been brought on the stand?
Bishop, bishop, not true, false, bishop
Ohh, bullshit!
Oui
