Needed Me

Alex Aiono

I was good on my own, that's the way it was, that's the way it was
You was good on the low for a faded love, on some faded love
Tell me what you complaining for?
Feeling jaded, huh?
Used to trip off the things I was kickin' to you
Had some fun on the run though I give it to you

But, baby, don't get it twisted
You was just another hitter on the hit list
Tryna fix your inner issues with a bad chik
Didn't they tell you that I was a savage?
Took your white horse and a carriage
Bet you never could imagine
Never told you, you could have it

You needed me
Ooh, you needed me
Feel a little more and give a little less
Know you hate to confess
'Cause, baby, who, you needed me

You been rollin' around, and, I'm rolling up
Light and roll it up
Break it down like a pound, it was never us
It was never us
On the real on the real. Are you serious?
How you feel, how you feel?
Used to trip off the things I was kickin' to you
Had some fun on the run though, I give it to you

But, baby, don't get it twisted don't get
You was just another hitter on the hit list
Tryna fix your inner issues with a bad chick
Didn't they tell you that I was a savage?
Just your white horse and a carriage
Bet you never could imagine
Never told you, you could have it

You needed me
You needed me, ooh

Feel a little more and give a little less
Know you hate to confess
baby, who, you needed me
