

Silent Night Medley

Hanson

O holy night the stars are brightly shining
This is the night of our dear savior's birth
Long lay the world in sin and error pining
Till he appeared and his soul felt it's worth
At thrill of hope, the weary soul rejoices
For yonder breaks a new and glorious morn

Fall on your knees

O hear the angels' voices

O night divine

O night when christ was born

Silent night, holy night

All is calm, all is bright

Round yon virgin mother and child

Holy infant so tender and mild

Sleep in heavenly peace

Sleep in heavenly peace

Fall on your knees

O hear the angels' voices

O night divine

O night when christ was born

O come o ye faithful

Joyful and triumphant

O come ye o come ye to bethlehem

Come and behold him, born the king of angels

O come let us adore him

O come let us adore him

O come let us adore him christ the lord.

Fall on your knees

O hear the angels' voices

O night divine

O night when christ was born

Oh night divine o night o holy

Oh holy night

Oh holy night

Woah

Oh holy night

When jesus was born

Oh holy night

Oh holy night
Oh holy night
Oh holy night
Look at those stars in the sky
Oh holy night
Oh holy night
Oh holy night
Jesus was born tonight
Oh holy night
Oh holy night
Oh holy night
