

Tears

Kylie Minogue

Never would say
I never need anyone
Not now I have knowing
Of the real love
And I need to have you
I could never give it up
'Cause the hurt would be too much And the feeling I'm feeling
Is a feeling I like
It's only when I'm with you
That I feel all right
I'm amazed that it's come to this I love you to tears
I love you to tears Ooh, falling into you
I've fallen on my feet
My world was only turnin'
So that we could meet
And I want you always
I could never run away
Workin' destiny today And the givin' I'm givin'
Is a givin' I like
It's easy when I'm with you
To give into life
I'm amazed that it's come to this I love you to tears
I love you to tears
I love you to tears
I love you to tears Happier than high, this is happening
So cool to have this salt water on my skin
It's not a pool of sorrow that I'm harbouring
These are tears of joy that I'm swimming in Happier than high, this is happening
So cool to have this salt water on my skin
It's not a pool of sorrow that I'm harbouring
These are tears of joy that I'm swimming in Happier than high
I'm happier than high
I'm happier than high
I'm happier than high I love you to tears
I love you to tears
I love you to tears
I love you to tears
I love you to tears

I love you to tears I love you to tears
