This Moment In Time

Engelbert Humperdinck

More than a ripple, less than a splash

The heir to a long line of glory

Give me the moment and I'll give you a song

It's so good bein' part of the storyThis moment in time, this right time of day

Oh, I love bein' with you and watchin' my life at playMy love in your eyes is lightin' my dreams

And the feelings you choose

Have touches of blues and greensThis trip into time, this timeless embrace I'm like a kid in a store

I'll always want more to tasteAnd no matter what comes

I know the sun is gonna shine

Because of you and me, there'll be this moment in timeAnd no matter what comes

I know the sun is gonna shine

Because of you and me, there'll be this moment in timeMore than a ripple, less than a splash

The heir to a long line of glory

Give me the moment and I'll give you a song
It's so good bein' part of the storyThis moment in time, this right time of day
Oh, I love bein' with you and watchin' my life at playAnd no matter what comes
I know the sun is gonna shine
Because of you and me, there'll be this moment in time
