

Blocking Brainwaves

Ghost Of The Robot

Do you want to be happy?
Do you want to have fun?
Take on buried treasure
I could be the one...
Hear me, out here... hear me, out.
I can't describe
Just can't subscribe
I'm telling vision
Glad to be alive
You say I can't relate to you
Some things I need to prove

Can't find the right words to use
Brainwaves won't pass through
When I wake up from seizures on an island full of slaves
All I see is smiles from the lack of brainwaves
There is no thinking so I check my mind in at the door
Nothing to contemplate I won't need it anymore
Ignorance it must be bliss
Never dealing with things like this
Thinking happy comes from a kiss
Regret all you've missed
