

# Good Day (feat. Skippa da Flippa)

## Lil Yachty

[Hook: Lil Yachty]

Man today's a good day

Cause I'm rich, rich, rich, rich

Walking down the street and I just copped a big booty bitch

Man today's a good day

Hey, ay-ye-ay-ye-ay

Cause I'm rich,rich,rich,rich

And these diamonds on my wrist, wrist, wrist, wrist, wrist

Man today's a good day

Hey, ay-ye-ay-ye-ay

Cause I'm rich[Verse 1: Lil Yachty]

Today I don't have any haters

Cause I could care less what they saying

Cause I'm having a good day

Hey, ay-ye-ay-ye-ay

I just check my bank account and there's so many O's

I couldn't give a mother fuck about any these hoes

Cause I am rich, rich, I'm rich

I couldn't give a fuck about a bitch to be honest

Oh and no I just sold a show

Park my car in the wrong spot but it still ain't get towed[Hook: Lil Yachty]

Cause I'm rich,rich,rich,rich

Walking down the street and I just copped a big booty bitch

Man today's a good day

Hey, ay-ye-ay-ye-ay

Cause I'm rich, rich, rich, rich

And these diamonds on my wrist,wrist,wrist,wrist,wrist

Man today's a good day

Hey, ay-ye-ay-ye-ay

Cause I'm rich[Verse 2: Skippa Da Flippa]

Mo' money mo' problems

But I cherish every moment cause I came from the bottom

Got mom's a coupÃ© cause my bank so colossal

Me and Yachty on a yacht we pop a hunnid bottles

And I'm rich ya bitch

Catch me in the (?) going crazy as I change the gears to 6

Every days a good day only if you're living rich

Holding blue hunnids a hella good mix

I feel good today I might cop a sting-ray

I love to get paid and she watch me parade  
I got 5 different hoes so get money 5 different ways  
Almost 24 I was in (?) every day  
Flippa!
