

# Get Lost

## Icona Pop

Advisory - the following lyrics contain explicit language:

I woke up this morning  
Blurry eyed  
I been working so hard  
Stayin' alive  
Well, I don't need this shit  
No it won't be long  
Before I take that money  
Money and run  
I'm gonna take that money  
Money and runLet's get lost  
Drive all night  
Leave this whole  
Fucked up world behind  
Let's get lost  
Drive all night  
Leave this whole  
Fucked up world behindI woke up this morning  
So destroyed  
I been down on my luck  
Just feelin' a void  
Well I don't need this shit  
No it won't be long  
Before I take that money  
Money and run  
I'm gonna take that money  
Money and runLet's get lost  
Drive all night  
Leave this whole  
Fucked up world behind  
Let's get lost  
Drive all night  
Leave this whole

Fucked up world behind  
Let's get lost  
    Drive all night  
    Leave this whole  
Fucked up world behind  
    Let's get lost  
    Drive all night  
    Leave this whole  
Fucked up world behind
