

Be My Love

Bobby Valentino

Baby girl how you do? 'Cause I think you can't complain
Wonder if everything in your life is the same
From the looks of you girl seems like somethings have changed
So can I make a suggestion? It's been so long girl since we've been on, girl
I've been looking for you to be me in my life
So baby come on, girl We can make history, nobody but you and me
Together we can do it, put our hearts to it
So can I ask a question baby? Will you be my love? Baby be my love, girl
Baby now we're more than friends, girl
Will you be my love? Only you can make me happy Let me say falalalala, falalalala
Falalalala, la, la, falalalala, la, la
Falalalala, la, la
Let me say falalalala, la, la From your hair to your wear just your whole sex appeal
Even the way you say my name, I'm constantly catching chills
Miss lady I kindly extend this invitation
To be my number one, my only one girl It's been so long girl since we've been on, girl
I've been looking for you to be me in my life
So baby come on, girl We can make history, nobody but you need
Together we can do it, put our hearts to it
So can I ask a question, girl? Will you be my love? Baby be my love, girl
'Cause baby now we're more than friends, girl
Will you be my love? Only you can make me happy Let me say falalalala, falalalala So whatever you want,
whatever you need
I'll be there for you, satisfaction guaranteed
Please you in every way, be the sunshine in your day
Oh baby, baby I can take your pain away Will you be my love? Baby be my love, girl
'Cause we're more than friends tonight when I'm with you
Will you be my love? Only you can make me happy Let me say falalalala falalalala
Falalalala, la, la, falalalala, la, la
Falalalala, la, la
Let me say falalalala, la, la Falalalala, la, la
Falalalala, la, la
Falalalala, la, la
Let me say falalalala, la, la Falalalala, la, la
Falalalala, la, la
Falalalala, la, la
Let me say falalalala, la, la, ooh
