Minute by Minute

Michael McDonald

Hey, dont worry, Ive been lied to
Ive been here many times before
Girl, dont you worry, I know where I stand
I dont need this love, I dont need your hand
I know I could turn blink and youd be gone
Then I must be prepared any time to carry onBut minute by minute by minute by minute
I keep holding on
Oh, minute by minute by minute by minute
I keep holding onYou will stay just to watch me, darlin
Wilt away on lies from you
Cant stop the habit of livin on the run
I take it all for granted like youre the only oneLivin on my own
Somehow that sounds nice
You think Im your fool
Well, you may just be rightCause minute by minute by minute by minute
I keep holding on
Oh, minute by minute by minute by minute
I keep holding onCall my name and Ill be gone
Youll reach out and I wont be there
Just my luck youll realize
You should spend your life with someone
You could spend your life with someoneMinute by minute by minute by minute
Ill be holding on
Oh, minute by minute by minute by minute
Ill be holding on
