### Gangs

GEAH, GEAH, GEAH, GEAH  
Gangs, let's start a gang  
E'rybody say they wanna join the gang  
These thangs, let's start again  
E'rybody say they wanna join the gang  
So Icey boy, that's the thang  
E'rybody say they wanna join the gang  
This gang - wanna join the gang  
So Ice boy nigga that's the thang

'Fore you join the gang gotta change your name (yeahhh)  
Sound is So Icey, change your slang  
Hot boys, hot girls, blaze ya {?}

Cause everybody say they wanna join the gang  
Black Chuck Taylors, red shoestrings and thangs  
Cause e'rybody say they wanna join my gang  
It's Gucci

Shouts out to the red and the blue gangs  
And them boys with the black flags gettin money mane  
I get that pepperjack cheese, boy that's hot money  
Kinda similar to what you boys call block money (yessir)
