

# New Kid in Town

## Indio Saravanja

There's talk on the street, it sounds so familiar  
Great expectations, everybody's watching you  
People you meet they all seem to know you  
Even your old friends treat you like you're something new  
Johnny come lately, the new kid in town  
Everybody loves you so don't let them down  
You look in her eyes, the music begins to play  
Hopeless romantics, here we go again  
But after a while you're looking the other way  
It's those restless hearts that never mend  
Johnny come lately, the new kid in town  
Will she still love you when you're not around?  
There's so many things you should have told her  
But night after night you're willing to hold her, just hold her  
Tears on your shoulder  
There's talk on the street, it's there to remind you  
That it doesn't really matter which side you're on  
You're walking away and they're talking behind you  
They will never forget you till somebody new comes along  
Where you been lately? There's a new kid in town  
Everybody loves him, don't they?  
And he's holding her and you're still around, oh my my  
There's a new kid in town  
Just another new kid in town  
Everybody's talking 'bout the new kid in town  
Everybody's walking like the new kid in town  
There's a new kid in town  
I don't want to hear it  
There's a new kid in town  
I don't want to hear it  
There's a new kid in town  
There's a new kid in town  
There's a new kid in town  
Everybody's talking  
There's a new kid in town  
People started walking  
There's a new kid in town  
There's a new kid in town  
There's a new kid in town
