

Lost in Translation

Auryn

So if you want it
Let's get on it girl
'cause I don't really need to much information
Yeah, If I'm honest
We're from different worlds
Oh but this feeling
Won't be lost in translation 1, 2, 3, 4
I go
We go the needs
You're the girl
In all my dreams
just walk in it
so causally
I don't know
where're you from
I got you and
embarrassed so wrong
I got the rule
so naturally And I.
I wanna be lovin' you
lovin' you
lovin' you
lovin' you now
lovin' you now
And I.
Could you be
lovin' me
lovin' me
lovin' me
lovin' me now
lovin' me now
So if you want it
Let's get on it girl
'cause I don't really need
to much information
Yeah, If I'm honest
We're from different worlds
Oh but this feeling
Won't be lost in translation
Skip down go the New York City
I know this feeling won't be

lost in translation
Never seen a girl
seen a girl so pretty
Oh yeah this feelin won't be
lost in translationIf you
you rip my mind
the worlds that
I'd be whispering of now
you are so fine
it ain't no mysteryI can see in your eyes
you wanna take
me home tonight
and when it feels
this right
oh
we don't need to speakAnd I.
I wanna be lovin' you
lovin' you
lovin' you
lovin' you now
lovin' you nowSo if you want it
Let's get on it girl
'cause I don't really need
to much information
Yeah, If I'm honest
We're from different worlds
Oh but this feeling
Won't be lost in translationSkip down go the New York City
I know this feeling won't be
lost in translation
Never seen a girl
seen a girl so pretty
Oh yeah this feelin won't be
lost in translationLet's skip down town
go to moonlight city
we can get down till the
birds a singing
birds a singing now
oh
It's what heaven
feels like
oh
when I just loving
you girlSo if you want it
Let's get on it girl

'cause I don't really need
to much information
Yeah, If I'm honest
We're from different worlds
Oh but this feeling
Won't be lost in translation Skip down go the New York City
I know this feeling won't be
lost in translation
Never seen a girl
seen a girl so pretty
Oh yeah this feelin won't be
lost in translation
