

# Nothing Else Matters (ORIGINAL VINYL)

## Metallica

So close, no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters Never opened myself this way  
Life is ours, we live it our way  
All these words I don't just say  
And nothing else matters Trust I seek and I find in you  
Every day for us something new  
Open mind for a different view  
And nothing else matters Never cared for what they do  
Never cared for what they know  
But I know So close, no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
And nothing else matters Never cared for what they do  
Never cared for what they know  
But I know I never opened myself this way  
Life is ours, we live it our way  
All these words I don't just say  
Nothing else matters Trust I seek and I find in you  
Every day for us, something new  
Open mind for a different view  
And nothing else matters Never cared for what they say  
Never cared for games they play  
Never cared for what they do  
Never cared for what they know  
And I know, yeah! So close, no matter how far  
Couldn't be much more from the heart  
Forever trusting who we are  
No, nothing else matters
