Everybody

Tha Dogg Pound

You ain't no better off
Than you were three days ago
And you ain't no better off
Than you were yesterday
And you ain't no better off
Than those people standing beside you
You ain't no better off
You just like to hear those words you say
Don't tell me nothing'Cause nothing ever changes
Don't tell me nothing'Cause nothing ever changes 'round here! There's a full moon tonight
Things are getting kind of crazy
There's a full moon tonight
Things are gonna get a little weird! Well I thought you were better off
You were gonna change the world
Well I thought you were better off
You were gonna make it all disappear
I don't know why I stay here
I carry on
I don't know why I stay here
It's always back to the loving
Back to my home! Bring it on home
