Parking Lot

VANT

I'm a vampire, how'd you find her?
Like a gunshot in a parking lot
No one heard, no one saw
I did nothing wrong, nothing wrong
I really wish I did something
Wait a minute, wait a minute
Wait a minute, cause your heart's not in it
Wait a minute, wait a minute
Wait a minute, cause your heart's not in it
When you find her
She'll look so pretty like a kick on the teeth, oh darling
Just admire herLike a gunshot in a parking lot
No one heard, no one saw
I did nothing wrong, nothing wrong
I really wish I did something
Wait a minute, wait a minute
Wait a minute, cause your heart's not in it
Wait a minute, wait a minute
Wait a minute, cause your heart's not in it
If you're not ready then I'm not ready
Just keep things steady
Just keep things cool
If you're not ready then I'm not ready
Just keep things steady
Just keep things cool
