

Mother

Lissie

Mother

Tell your children not to walk my way
Tell your children not to hear my words
What they mean, what they say

MotherMother

Can you keep them in the dark for life
Can you hide them from the waiting world

Oh, motherFather

[I'm] gonna take your daughter out tonight

Gonna show her my world

Father[I'm] not about to see your light

But if you wanna find hell with me

I can show you what it's like

'Till you're bleedin'

I'm not about to see your light

But if you wanna find hell with me

I can show you what it'sMother

Tell your children not to hold my hand

Tell your children not to understand

Oh, motherOh

Do you wanna bang heads with me

Do you wanna feel everything

Oh, father[I'm] not about to see your light

But if you wanna find hell with me

I'm gonna show you what it's like

'Till you're bleedin'

I'm not about to see your light

But if you wanna find hell with me

I'm gonna show you what it's

LikeI'm not about to see your light

But if you wanna find hell with me

I' gon' show you what it's like

'Till you're bleedin'

I'm not about to see your lie

But if you wanna find hell with me

I can show you the way
