

More of the Worst

PlayRadioPlay!

Prices and tooth decay
It doesn't even matter every single day
Disturbing the frequencies
While sailing the seven seas Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh Listen and you might hear
A sudden cease of laughter
No smiling ear to ear
Distorting the spectral waves
Licenses and bills to pay Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh Rebound and consequence
Braces and the money spent
Concerts and gravity
Reports on tendencies Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh, oh, oh Watchdogs, electric fence
Private school and money spent
