

Let's Work (Dance Remix)

Prince

One, two, three

Let's work I've had my eyes on you ever since you walked in the room

C'mon and take my hand, don't try to understand

Oh baby nothing can stop us now, I'm gonna show you how

Show you how to work

C'mon let's have some fun, we'll work till morning comes

Lemme see ya work, c'mon I'd love to turn you on, I'd work you all night long

If I could get you in the raw, I'd make you climb the walls

Oh yeah nothing can stop us now, I'm gonna show you how

Show you how to work

C'mon let's have some fun, we'll work till morning comes

Yeah, yeah, lemme see ya work, c'mon Let's work Work alright, we're gonna work all night

Everybody work, that's right, everybody everybody work

Alright, we're gonna work all night

Everybody work, that's right, everybody everybody work Nothing can stop us now, I'm gonna show you how
(let's work)

I'm gonna show you how

Oh babe (work) c'mon let's have some fun

We'll work till morning comes (let's work)

We'll work till the morning comes

(Work) nothing can stop us now (nothing gonna stop us)

(Let's work) I'm gonna show you how (work)

C'mon let's have some fun (let's work)

We'll work till morning comes
