

# No Place to Go

Eilen Jewell

No Place To Go I always spend my money,  
Sum of money never grows.  
I keep a rolled-up twenty  
For God of Heaven though.  
I haven't been with my honey  
For nearly two months in a row.  
See the day, nice and sunny  
And I've got no place to go.  
I was the prize-less fighter,  
So I stayed out of the ring.  
Ya got a cigarette lighter  
For every time you hear me sing.  
I couldn't tense up tighter,  
But I can't let nothing show.  
I'm a horse-less rider  
And I've got no place to go. In only fifteen minutes  
I can wreck my freaking life.  
I've got no choices open  
So I try to love the strife.  
Seems that nothing excites me  
So I've got nothing to show,  
And then no one invites me  
And I've got no place to go.  
I've got no place to go. (4X)
